### Swachata Pledge

- Mahatma Gandhi dreamt of an India which was not only free but also clean and developed
- Mahatma Gandhi secured freedom for Mother India
- Now it is our duty to serve Mother India by keeping the country neat and clean
- I take this pledge that I will remain committed towards cleanliness and devote time for this
- I will never litter nor let others litter
- I will initiate the quest for cleanliness with myself, my family and my locality
- I believe that the countries of the world that appear clean are so because their citizens don't indulge in littering nor do they allow it to happen
- With this firm belief, I am confident that every step I take towards cleanliness will help in making my country clean
